The Loved and Lost.

"The loved and lost" is a story of a young man who has been lost for many years. He is now found, but he is not the same man as when he was lost. He is now a man of many sorrows, and he is now a man who is loved and lost.

They are not lost; they are within the door.
That shake out loss, and every sorrowful thought,
With some light, and some of the love that is in the door,
In their loneliness, and in their loneliness, and in their loneliness.

And this we call a "love" of the little heart,
Of the little heart, of the little heart, of the little heart,
Of the little heart, of the little heart, of the little heart,
Of the little heart, of the little heart, of the little heart.

And this we call a "love" of the little heart,
